

Baby's Coming

means pain, danger and possible death for some wives. For others it means practically no discomfort at all. There is no reason why childbirth should be a period of pain and dread. Several months before a woman becomes a mother she should prepare herself for the critical ordeal. There is a preparation made which is intended for this purpose alone. The name of this wonderful preparation is

POLITICAL BREVITIES.

Judge R. S. Taylor spoke at Columbus last night.

Hon. O. H. Montgomery is billed for two speeches in Harrison county next week.

Hon. B. F. Shively, of South Bend, democratic candidate for governor two years ago, spoke to about a hundred people at Society Hall last night. The speaker was introduced by Hon. J. T. Arbuckle.

A. N. Menden was advertised for a speech at Kurtz Thursday night. His speaking associate was D. A. Koehnour, of Brownstown. Just what they talked about we have not learned, but if Koehnour went along as referee we can imagine the line of thought pursued and the purpose of the meeting.

William Empson, Haulin Smith's right hand man, called a meeting of the "loyal" at Brownstown today, to get further instructions from John Burrell, Frank Branaman and other ringsters. It is not a big crowd but what there is of them they stand ready to do the bidding of the ring.

The Daily Tribune is the name of a new paper at North Vernon which made its appearance Friday. It is independent in politics and promises well for the people of North Vernon. E. C. Ahlson, formerly of Edinburg, is the publisher.

The Crothersville Commercial still carries John W. Hamacher's political announcement. Democratic papers usually do not carry such announcements for republicans unless it be that they are run solely for "financial profit." But in this case it may be allowable since Hamacher is to be used as trading stock for John Burrell.

President McKinley has received no more hearty welcome any where than in the Hoosier state. The people of Indiana appreciate great men such as the president is, and delight to do them honor. President McKinley has the confidence of the people of this state, as will be shown by their votes on November 8.

The Columbus Democrat seems to be taking more interest in the election of a congressman in the Seventh district than in the Fourth. It has really been troubled about the Franklin postoffice and has written some ponderous articles about it. But our Columbus neighbor has started in to make a noise and would just as well talk and worry about a postoffice controversy in another district as anything.

The Crothersville organ of the ring uses two columns of space this week making it plain that the so-called republican meeting at Brownstown October 8, was called for the one purpose of aiding the Brownstown ringsters and bolstering up the Burrell machine. That this was the purpose of the meeting has been known from the start, and the proposal that some of the allies of the ring have made and are yet making to some citizens to be dishonest as voters, shows the extreme to which they will go in their desperation to save the old gang from defeat at the polls. Men who are parties to a scheme to appeal to men to be dishonest with their right of franchise are not safe men to follow, much less to put in places of honor and trust.

Give the Children a Drink Called Grain-O. It is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it because when properly prepared it tastes like the finest coffee but is free from all its injurious properties. Grain-O aids digestion and strengthens the nerves. It is not a stimulant but a health builder and children, as well as adults, can drink it with great benefit. Costs about much as coffee. 15 and 25c.

PEABODY RETIRES.

W. M. Greeie to Succeed Him as Vice President of the B. & O. S. W.

It is officially announced that Capt. W. W. Peabody will sever his connection with the B. & O. S. W. railroad at any early date and that his successor has been agreed upon. The change will take place at the annual meeting of the stockholders of the road next month.

It is said that Vice President Peabody is compelled to take this action on account of a serious affliction of his eyes, which his physician says makes it absolutely imperative that he have relief from business cares for an extended period. After his retirement from the B. & O. S. W. he will take an extended trip, very likely going abroad. Captain W. W. Peabody, who was born at Gorham, Maine, in 1836, entered railroad service when 16 years of age and between that date and 1877 he was in the employ of the Marietta and Cincinnati Road, now the Baltimore and Southwestern, filling in succession the positions of Secretary to the President, Paymaster, Master of Transportation, Superintendent and General Manager. From 1877 to 1886 he was in the service of the Ohio and Mississippi Road first as General Superintendent, and from 1883 to 1886 as President and General Manager.

In 1887 Captain Peabody took service with the Baltimore and Ohio as Manager of the Trans-Ohio Division, with headquarters at Chicago, which position he filled until January, 1890, when he was elected President of the Baltimore and Ohio Southwestern.

In 1893, when the Ohio and Mississippi was absorbed by the B. & O. S. W., Captain Peabody was made Vice President of the company, which position he has since held.

The man who is to succeed Captain Peabody as Vice President of the B. & O. S. W. is Wm. M. Greeie, new General Manager of the Baltimore and Ohio road with headquarters at Baltimore and who is a very able man.

Spreads Like Wildfire.

You can't keep a good thing down. News of it travels fast. When things are "the best" they become "the best selling." Abraham Hare a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have ever handled in my 20 years experience. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, cures cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50 cents. Sold by Wm. F. Peter, Druggist.

Evangelistic Services.

The services at the hall last were well attended and much interest was manifested. Tonight the evangelist will preach on "The Conditions of Discipleship." He promises to give the people something of his experience in the European and Oriental countries. Tomorrow at 10:30 he will address the people on "Christ's Searching Inquiry to His Disciples." and at 3 p. m. he will address the ladies only on "Fads and Fashions." No lady or girl can afford to miss it. A free will offering is asked of all willing hearted. He will preach again Sunday night at 7:00 o'clock. At 7:30 p. m. tonight Dr. Tanner, the world famous faster, (the man who first demonstrated the possibility of Christ's fast) will preach. The doctor is a man of great ability and all the people should turn out, see and hear him.

An Eloquent Speaker.

True eloquence was voiced by John Speaker, of Catawba, O., when he says: "I had five large fever sores on my leg four years, and tried five doctors without benefit. All said I could not be cured, but I fooled them by curing myself with one bottle of Electric Bitters and one box of Bucklen's Arnica Salve." Electric Bitters is the greatest blood purifier known. It gently stimulates the stomach, liver, kidneys and bowels, so that poisonous matter can not remain in the system. It cures dyspepsia, malaria, constipation, nervousness, aids digestion, improves appetite, increases strength, gives new life. Prices 50 cents. Sold by Wm. F. Peter, Druggist.

You can go to Indianapolis next Sunday for 75 cents.

O, Ye of Little Faith

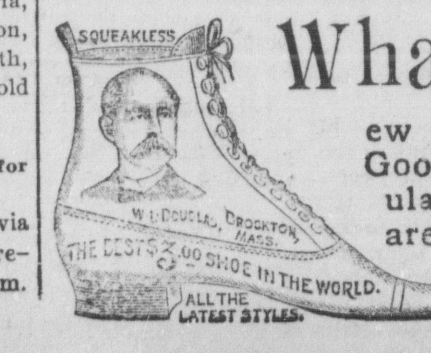

But when an honest man 45 years of age and who has lived in our city for thirty years and owns his own property speaks, we must give ear to his words and have faith in what he recommends. For that reason we publish for the benefit of Seymour people the statement of Mr. A. H. West, 21 North St., Saginaw, Mich., as follows: "My back was very lame, was quite nervous at times, and my general health was seriously impaired. Some time ago I was induced to try Morrow's Kid-ne-oids of which I had heard a great deal, and I procured the remedy. I had not much faith in it as I have previously tried a large number of kidney pills and kidney remedies without any particular benefit. But I want to say that I got simply wonderful relief within two days after commencing the use of Kid-ne-oids and that I am now entirely cured. I regard my case as a severe test of the medicine as so many others had failed me. My advice to kidney sufferers is to give Morrow's Kid-ne-oids a thorough trial and find relief as I did."

Mr. West had no faith at first but the assurance of his friends induced him to try once more. The result is given above. Let Mr. West be your friend and if you suffer with backache, sleeplessness, nervousness etc. take his advice and use Morrow's Kid-ne-oids and get cured. Mr. West is a grateful man and will be glad to write you how much benefited by the use of Morrow's Kid-ne-oids. If you will enclose a stamp for reply do not confound Morrow's Kid-ne-oids with any kind of kidney pills; they are not put up at all but yellow tablets which are put up in wooden boxes and sell at 50 cents. Morrow's Liverlax are very small red pellets and cure constipation; they sell at 25 cents a box. Both of these remedies are for sale by all first class druggists and at Alpha Cox Drug Store and will be mailed by the manufacturers on receipt of Price: John Morrow & Co., Chemists, Springfield Ohio.

GAS EXPLOSION IN A HOTEL

Had Been Disappearing for a Week and Shot Himself—Cashier Cadwallader's Trial Continued—Aged Postmaster Dead—Despondent Because of Ill Health—Other State Happenings.

Fort Wayne, Oct. 22.—Perry Waite, the young man who attempted to criminally assault little Mary Ehrman near Woodburn Thursday night, was captured by Sheriff Melching's bloodhounds. The prisoner was brought to this city by officers. Threats of lynching have been prevalent at Woodburn ever since the father of the girl discovered the fiend in his barnyard.

GAS EXPLOSION

In a Hotel at Indianapolis Causes Excitement—No One Injured.

Indianapolis, Oct. 22.—An explosion of natural gas occurred at Barton's hotel in this city yesterday, which caused excitement among crowds of people who were waiting to see President McKinley. A plug had been removed from a pipe in a room on the third floor, and the apartment soon filled with gas. An employee started to light a fire in the room, and there was an explosion of great force, but he escaped unhurt. In an adjoining room was Miss Fanny Edwards of Richmond. When the explosion came she started to jump out of a window, but turned and ran down the stairs, fainting when she reached the bottom. The room was somewhat damaged.

PREMATURE DISCHARGE.

James Jones Severely Injured While Firing a Salute.

Kokomo, Ind., Oct. 22.—There was a deplorable accident just as the president's train reached this city yesterday. Some veterans were firing a salute, and there was a premature discharge of the piece, in which James Jones, 23 years old had both arms broken, was badly cut in the throat and his face was severely burned. Captain Smith had his hand badly burned while heroically trying to prevent the explosion. Mr. Haney also had a hand burned.

Cadwallader's Trial Continued.

Union City, Ind., Oct. 22.—The case of Charles Cadwallader, arrested for alleged complicity in wrecking the bank of this city, was set for trial at Winchester, and the state not being ready, a continuance was had until November 22. The indictment alleges that he received deposits as an officer of the Citizens' bank, knowing the same to be insolvent, and that he unlawfully appropriated \$5,000.

Says He Was Shot by His Stepson.

Marion, Ind., Oct. 22.—Sensational developments came in the trial of the divorce suit of Elizabeth Garrett against Luther Garrett. Mrs. Garrett alleged ill treatment, and in rebuttal Mr. Garrett testified that his wife once struck him with a flatiron and that her son, Francis Harold, had shot him twice. The shooting of Garrett occurred in February last. It was supposed at the time that Garrett was shot by a burglar.

SAVED SOLDIERS.

Who Used Paine's Celery Compound Did Not Suffer from Fever.

The soldiers who did the most good were those who kept well.

There were plenty of brave men who were of little use when the time came, because they took less care of their health than they did of their musket.

Malaria and other fevers soon picked out these men much more unerringly than the enemy's sharpshooters.

One set of men went about keeping well in a businesslike way. They took Paine's celery compound at the first indications of intestinal troubles, weakness, or when fatigued and liable to fevers. They used Paine's celery compound to purify their blood and put their health on a firm basis as soon as they made up their minds to join the service.

Corporal Beckwith thinks there was a great deal of needless sickness among the volunteers. At Chicamanga many of his mess mates followed his example and fortified themselves against disease by Paine's celery compound, and not a man of them had malaria or fever of any sort or spent a day in the hospital.

Corporal Beckwith writes:

Camp Olympia, Sept. 17, 1898.

Dear Sirs—When I see so many of my poor comrades coming home looking fit only for a hospital cot, I give thanks to Paine's celery compound for the fact that I went through my enlistment without any doctor's medicine, and am today even healthier than when I went to Chicamanga. I firmly believe that this good health is due to my using
